## How to Create an Account of Mendeley and Register

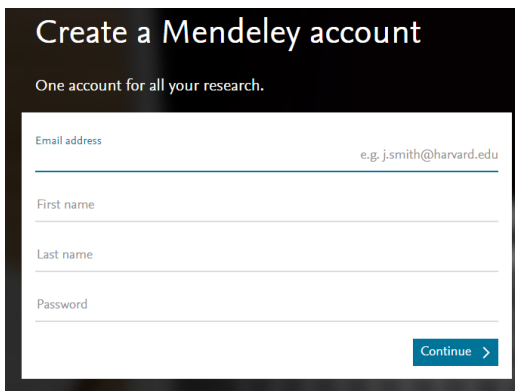

---

Follow the steps below:

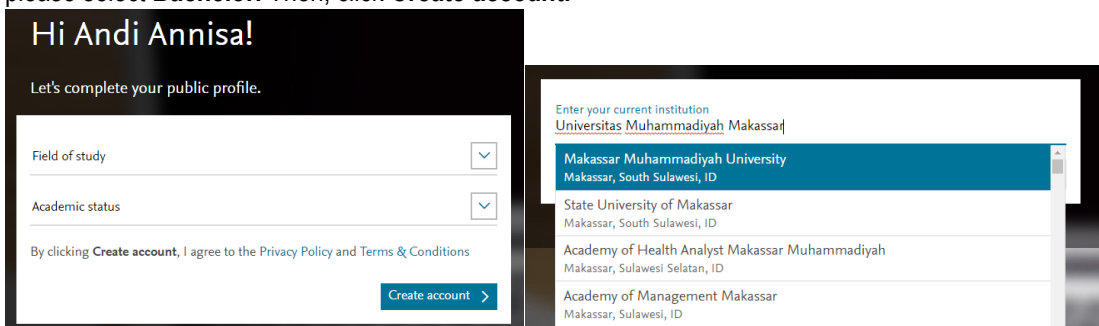

1. Open the link of website: <https://www.mendeley.com>
2. Click "Create a Free Account"

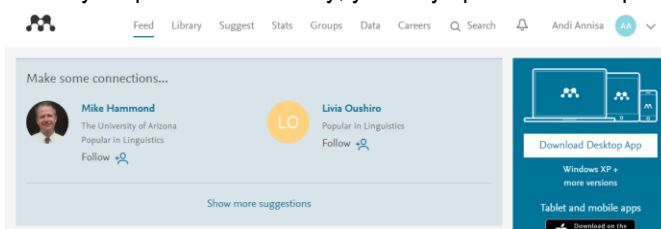

3. Next step, type your email address, first name, last name (if you have single character of your name, just write it double, e.g. 1<sup>st</sup> name: Wati, so the last name is Wati, too), type a password and **Click CONTINUE.**

A screenshot of the "Create a Mendeley account" form. The title is "Create a Mendeley account" and the subtitle is "One account for all your research." The form has four input fields: "Email address" (with a placeholder "e.g. j.smith@harvard.edu"), "First name", "Last name", and "Password". A blue "Continue >" button is at the bottom right.

4. Complete your public profile, select your field of study and Academic status. You may find your University that already registered in the system of Mendeley (see example). And the Academic status, please select **Bachelor**. Then, click **Create account**.

A screenshot of the "Hi Andi Annisa!" profile completion form. The title is "Hi Andi Annisa!" and the subtitle is "Let's complete your public profile." The form has two dropdown menus: "Field of study" and "Academic status". Below the dropdowns is a checkbox: "By clicking Create account, I agree to the Privacy Policy and Terms & Conditions". A blue "Create account >" button is at the bottom right. To the right of the form is a dropdown menu for "Enter your current institution" with the following options: "Universitas Muhammadiyah Makassar", "Makassar Muhammadiyah University Makassar, South Sulawesi, ID", "State University of Makassar Makassar, South Sulawesi, ID", "Academy of Health Analyst Makassar Muhammadiyah Makassar, Sulawesi Selatan, ID", and "Academy of Management Makassar Makassar, Sulawesi, ID".

5. This is your profile at Mendeley, you may update and complete your profile on that site.
